GEWA IDEALE CELLO

We are delighted and proud to announce that we are one of the first stockists in the UK to have been chosen to sell the Gewa Ideale Cello.

It is beautifully made Instrument, with a tonal quality to outshine & out perform the competition in this price range. When we trialled this cello with local teachers they were amazed at the sound produced, and the quality of finish and set-up.

The mature sound belies its price, and all in all, it is a magnificent package.

Each Instrument is expertly set up & fully improved to the highest possible standards by us, so you can be sure that all it will need is a tune, and it is ready to go.

Fitted with a wittner tailpiece and ebony fittings, this instrument just begs to be played.

This Instrument would suit any player, either as a second instrument for teachers & professionals, or for a first instrument for the aspiring student.
